Hello FCA Southwest Region Members,

This is my final President's Message and I can hardly believe that two years have passed so quickly. The saying, "Time flies when you are having fun" is definitely true. I enjoyed immensely being your President and I look forward to the next two years of serving as your Chairwoman of the Board.

I would like to thank Tex Otto, current Chairman of the Board, for all his help and guidance. I would also like to thank the Board of Directors, Marshall Buck, Jack Curtis, Jim Bindman, Peter Carniglia, Richard Kidd, Bruce Leeds, Kenny Lombino, Mark Process and Marv Landon for their participation and support. Special thanks to Demetri Zafiris, Tom Brockmiller and Wally Clark for all their outstanding contributions to our fine club. It takes a team to run our Region of over 580 members and I've been very lucky to have an excellent team to work with. Thank you also to all the members who have participated in our events and lent a hand to help make our club a huge success.

Reflecting upon my term as President, a few wonderful moments come to mind. The kids smiling faces at the Serious Fun Camp and the Ronald McDonald House Show & Shine when they got to sit in the Ferraris and have their pictures taken. Giving so little of our time meant so much to them. The little two year boy that had a heart transplant and I held him in my arms. His mom saying she would not have known what to do without the Ronald McDonald House. Our fund raising effort of \$25,000 made me very proud.

I also enjoyed organizing the Mullin & Murphy Automotive Museum Tour, the Queen Mary Tour and the Holiday Party. I'm really looking forward to my President's Drive and Party as well. Spending time with friends and Ferraris is always a joyful celebration for me.

I am grateful to all our members that helped with the 599 Relay Tour especially Denise Ferrari, Peter Carniglia, Tex Otto, Mark Process, Brian Quad, Tom Brockmiller, Jack Curtis, Peter Riley and Steve Wheeler. We successfully moved the 599 on its journey through our region visiting four dealerships, two Ronald McDonald Houses and the Serious Fun Camp (Painted Turtle Camp).

The success of our Annual Meet was another highlight of my term. The venue at the Hyatt Regency Indian Wells Resort & Spa, the food, the judging, the rallies, the track and the comradeship of fellow Ferraristi's was an awesome encounter. The enthusiasm from our members who dared to show their prancing horses for judging for the first time after reading my article of encouragement brought many miles of smiles to me.

I look forward to working with our new President and Board of Directors. I invite everyone to attend our monthly board meetings on the second Saturday of the month at 9:00 a.m. at the Petersen Automotive Museum. Perhaps you have an idea for an event or would just like to hear our plans for the future. We would love to have you join us.

It has been my pleasure to serve as your President.

Happy Motoring,

Diane Peterson

Vandenberg Air Force Base

Exotic Car Show

owners, and especially as FCA members, we have opportunities to participate in many wonderful events. The Vandenberg Air Force Base Exotic Car Show (Fast Cars and Faster Intercontinental Ballistic Missiles) was definitely an amazing experience and a hugely successful event.

I was somewhat concerned about the weather in early November, but the Air Force reminded me that they are the U.S. Government and promised me they could deliver perfect weather...and they did. The two day event began at Friday noon as nearly 30 cars and 45 lucky people arrived at the base Main Gate. Air Force police escorted our cars into the base as Airman and civilian base employees stood along the road waving, cheering and taking our pictures! We were in a parade! Our group was there to honor our troops, and they treated us like celebrities. We parked our cars in front of the Pacific Coast Officers Club, which created a mini car show. A buffet lunch was served as we mingled with the troops, and we met many more as they came over to admire our cars. Meeting and speaking to the airmen and officers was fantastic. One very polite woman dressed in a simple camouflage uniform was hanging out with our group; she had a bunch of stars on her cap and we learned she was Lieutenant General Susan J. Helms, who piloted the space shuttle, spent time in the international space station, walked in space and in 2011 was inducted into the U.S. Astronaut Hall of Fame. She gave us all time to chat and have our photos taken with her. She thought our cars were really cool!

After lunch, our group was given a 3 hour VIP tour of the base that was somewhat limited due to "military exercises" going on that day. Besides seeing some beautiful and unspoiled California coastline and lots of deer, we visited some unbelievably huge launch facilities and a stop at the base museum, where the curator Jay Prichard was an amazing source of space history and hilarious trivia. Many people, including me, commented that he was the

best museum curator they have ever seen; he could have kept us entertained for hours. His explanation of how the space program developed, much of it right there at Vandenberg, was simply amazing. Later, back on our tour bus, the PA system kept shutting off and we thought that was ironic: they can launch intercontinental ballistic missiles and polar orbiting satellites, but the PA system in their tour bus didn't work.

After the tour, we all returned to the Officers Club to enjoy a steak dinner and another opportunity to meet the men and women stationed at VAFB. Spending time in their club was a wonderful experience.

Saturday morning, the weather was beautiful (guaranteed by VAFB) and over 80 exotic cars arrived at the Marshallia Ranch Golf Course, a base-owned facility, but open to the public. The cars were parked on the first fairway, and the setting was dramatic with the canyon views and the sweet central California air. There were over 40 Ferraris including 3 Daytonas, a dozen Lotuses (Loti?) and a nice assortment of cool sports cars including new and old Gullwings, E-Type Jag, Porsche Speedster and a pair of Nobles. The clubhouse was open and their "famous" Santa Maria Tri Tip barbeque lunch was served. A huge tent was erected where 9 local wineries were providing free wine tasting for the car owners (the tent was packed all day!). A rock climbing wall was on hand for the kids, and a well known Santa Barbara band kept the 2000+ spectators entertained.

It was an honor and privilege to collaborate with the team at Vandenberg (Jennifer Martinez, Robert Bumpass and Lt. Colonel Gregory Marty). During the 5 months that was spent organizing the event, we all became great friends. They felt it was one of the best events geared for the troops ever held at the base, and invited us back for 2013. We are excited about returning and hope to create a bigger and better car show in September, 2013.

at The Auto Gallery Ferrari in Calabasas opened at 8:45am. Before me, a beautiful 599 wrapped with decals celebrating 50 Years of Passione of the Ferrari Club of America. With the start of the engine, I felt the gorgeous low rumble and heard the familiar Ferrari whine of the 12-cylinder engine. After enduring the photo session, I climbed into a fantastic cockpit, nestled in to a perfectly form-fitting seat, inhaled that new car smell, buckled up and hit the road. Enter the freeway, I felt the g-force power with a touch of the gas pedal. My passenger, Diane Peterson, reminded me that there was no reason to get crazy. Damn it!

It was an easy freeway drive for a while, then we turned off at Lake Hughes Road. With the combination of acceleration and handling, this car is a dream to drive on the windy roads leading up to The Painted Turtle Camp.

The kids and their families got such a thrill from our display of cars when we arrived. Many of the drivers that joined us, opened their cars for the kids to get pictures in their favorite Ferrari. The camp hosts allowed us to be heroes for the day and thanked us for bringing a bit of joy to some very ill children.

Many of us were treated to a tour of the impressive camp facilities. Started by Paul Newman and his Hole in the Wall Camps foundation, it is funded solely by donations from individuals and businesses which include Seaworld, the Los Angeles Lakers and many others. It is hard to describe the 65-acre, top-notch camp. Beautiful cabins, full mess hall, kid-themed medical facility, rock-climbing wall, fishing pond, ropes course, equestrian center, and a Shamu-shaped pool. Every staff member we met was what you can imagine as your favorite camp counselor: bubbly, fun, energetic, encouraging and delightful.

The Relay car was special, the day was heart-warming.

So here is

Article and Photos By

how it went.... Marv Landon was bugging me for months to go, and I could not afford it. Oh wu-wu-wu, poor me!!

Then two days before the event a race buddy calls me up and says if I would buy the airfare for the two of us, he has a first class package, hotel room at the ATT Conference Center and Paddock Club, Pit Passes and a Go Anywhere Badge for me for free... UH Lemmethink... **!!*!

So what follows is an unlikely tale of a guy who did not stand a chance of going, ended up at the best parties, hanging with the top dogs, visiting the garages of Schumacher and Fernando Alonso (to name a few), ate some incredible lobster, lamb chops and fine cuisine in the air-conditioned comfort of the Paddock Club overlooking the start and finish line.... Yes, I waived at Marv over in the cheap seats.... That's OK, you can tell me how jealous you are when your check clears – don't applause, just send money.

Anyway, back to my story – told mostly in these pictures (I'm the one with the perma-GRIN carved on my chubby little face). We missed the free helicopter ride into the track (wu-wu-wu), but caught the limo ride out. The track is killer, who cares about the lack of amenities because the track just opened, the city of Austin is your oyster and take it from me – you gotta GO. Remember you can buy all the promo shirts and buttons on-line cheaper than standing in line at the vendors, so watch the race, walk the track, forget the lines.

Look at the pictures of the Tire Change Pit Stop – 2.4 Seconds in person is more powerful than 2.4 Seconds on SPEED channel replays. It is shocking in person. 17 people on a team, a ballet of precision and grace.

Ear plugs are mandatory, but of course I thought it couldn't be THAT LOUD, so I took them out for a moment. My head almost exploded!

Anyway, this from a Formula One virgin, my first ever and the first at this track. I love your sport! Thank you Car Gods. *SG*

Tour and Lunch

Saturday,

Article By Wally Clark Photos By Wally Clark and Tom Brockmiller

March 30, 2013 had us gather at the Marconi Automotive Museum in Tustin for a tour, lunch and talk by John Marconi on his experiences in winning the 1993 Ferrari Challenge Series.

About 45 members were there and were entertained by Dick Marconi, founder of the museum, who told us about some of the cars in the collection. Of note were the Ferraris, from the 195S Milla Miglia Coupe to a pair of F50's, an F40 and a couple of the Sultan of Brunei cars, an original FX built by Pininfarina on a Ferrari 512M chassis, and a 456 convertible, which is one of two built.

Also on display was the 348 Challenge car the John drove to win the U.S. Ferrari Challenge series which he drives on the street today. And, of course, they have Cher's Daytona Spider in the collection. The museum has a wide selection of cars from all eras including race cars and a mock up of a Ferrari F-1 car.

John and Jaime, who ran the Italian side of the Challenge series in 1993, talked in detail about how the finals of the series went down in Italy. John was not able to ship his 348 over for the finals, so was given a car from Ferrari to drive, which of course needed some fettling to be competitive. Even though John won the U.S. series, the Italians made sure he didn't win on their turf, and John elaborated in great detail how they made that happen! Very entertaining, to say the least!

Thanks to all the members who attended and thanks to our hosts, the folks at the Marconi Automotive Museum for hosting the event. *sf*

The Loan Management Account® (LMA® account) is provided by Bank of America, N.A., member FDIC. Equal Opportunity Lender. The LMA account requires a brokerage account at Merrill Lynch, Pierce, Fenner & Smith Incorporated (MLPF&S) and sufficient eligible collateral to support a minimum credit facility size of \$100,000. All securities are subject to credit approval and Bank of America, N.A. may change its collateral maintenance requirements at any time. Securities-based financing involves special risks and is not for everyone. When considering a securities-based loan, consideration should be given to individual requirements, portfolio composition and risk tolerance, as well as capital gains, portfolio performance expectations and investment time horizon. The securities or other assets in any collateral account may be sold to meet a collateral call without notice to the client, the client is not entitled to an extension of time on the collateral call, and the client is not entitled to choose which securities or other assets will be sold. The client can lose more funds than deposited in such collateral account. A complete description of the loan terms can be found within the LMA agreement. Clients should consult their own independent tax and legal advisors. Some restrictions may apply to purpose loans, and not all managed accounts are eligible as collateral. All applications for LMA accounts are subject to approval by Bank of America, N.A.

For fixed-rate and term advances, principal payments made prior to the due date will be subject to a breakage fee.

Ferrari Club of America

Board of Directors National Meeting

March 2013
Washington, D.C.

Article By
Diane Peterson

I flew to Washington, D.C. for three days of intensive meetings regarding the future of our fine club. President, Al DeLauro, discussed the state of the club. We are going strong. Membership is growing rapidly, 5396 current members. Retaining these members is a goal for the future. We discussed a number of ideas and plans to accomplish this task. Making new members feel welcome is of utmost importance. Introduce yourself and start a conversation about your beautiful prancing horses.

The new bylaws were a critical point of the weekend discussion. The Board examined the proposed changes and after much scrutinizing voted to approved them. Recently the membership was able to vote and the new bylaws were approved so that we can move forward.

We discussed the 50th Anniversary Passione Relay. Over 200 drivers have participated in handling the beautiful 599. The relay is two-thirds complete and we have raised over \$90,000 for the Ronald McDonald House Charities. The final stop of the 599 will be at the Annual Meet in Elkhart Lake this summer.

We need to embrace new cultural realities without abandoning the old. We will continue our world class Concours programs, track events, and weekend rides. Advanced social networking and increased use of internet technology were thoroughly examined.

The future of The Ferrari Club of America looks very bright. Invite a friend today to join and please welcome all new members. *sf*

2013-2014 Election Candidates

Voting will be online.

Members will receive an online ballot the first week of May.

Each FCA Southwest Region Director candidate has been allowed 100 words to express why they would like to be a Director for the club. They are presented in alphabetical order.

This election will be conducted online to encourage member participation by using a simple click and submit ballot.

Each member who has provided an email address to the FCA, will receive an email to vote online.

For members who have not provided an email address, you will receive a mailed ballot for voting to be returned via US mail.

Members will vote once for up to 5 candidates.

Come join us at our Annual FCA Southwest Region Election Picnic to be held at the beautiful South Coast Botanic Garden in Palos Verdes. Sunday, June 2nd.

See page 29 for details. 

Marshall Buck - My goal is to facilitate full Ferrari driving enjoyment for all FCA members. In my first term as a Director of the FCA SW Region I have concentrated on regular participation in Board meetings, encouraging members to enjoy their Ferraris on a real race-track, and organizing racecar collection tours. I organized the Track Event for the 2012 FCA Annual meet hosted by our Region. I would like to continue these types of sporting activities and extend them for another term. I regularly write in the Sempre on these events, and author technical articles on preparing your Ferrari for safe, intense fun.

Peter Carniglia - It is an honor to have served one term on the Board and I look forward to another term if elected to continue. We have had some fun together and played with some terrific toys. The most fun for me has been to see our fellow members enjoy their cars, at events, on the track, at drives and around town. Probably the most notable event for me was helping to organize and host the Charity Event around the 599 Relay that benefited the Ronald McDonald House and the Painted Turtle Camp. The good that a club like this can do for our community stands head and shoulders above all else.

Denise Ferrari - I started saving for my first Ferrari when I was 21, and realized my ownership dream 5 years ago. Thinking that it might not be that fun, I waited to join FCA-SW, and found out quickly what a joy it is to be an active member. Since getting involved in a big way in 2011 at many events, attending board meetings, assisting at the National Event, I would like to continue to help our club. As a member of your board, I will work to be involved with and promote the many fantastic events we offer.

Kenny Lombino - I have been a member of the club since 2005 and a board director for the last four years. I have always stated that this is the best car club anyone could be a member of. My passion is in driving these magnificent cars, and most of the events I am involved with are driving events. I host the monthly W.L.A. in your area run, the annual Mystery Ride, Italian Night, and I hosted a weekend run to Death Valley. I would be honored to continue to serve on the FCA board, and if reelected I will do my best to bring interesting, fun events to the club.

Peter Riley - As a member of the FCA for more than 10 years, I have seen what an active, fun and rewarding club it is. Not only have I been able to scare myself during track events at Willow Springs and Chuckwalla, but I've also had the pleasure of scaring others as a judge at Concorso in Pasadena. But the club is not just about fun and games - I have met many of my best friends by getting out and participating in club events. I am running for the Board of Directors to volunteer my time and give back just a little of what the FCA has given me. We are lucky to have a dedicated and dynamic group overseeing our club, and I know that I can make a positive contribution to the discussion.

Ferrari Racing Days at Suzuka

Article and Photos By
Ferrari SpA

Ferrari Racing Days were held at Suzuka organized by Ferrari Japan. The most beautiful Prancing Horse cars were assembled on the famous track that hosts the Japanese Formula 1 Grand Prix. Over 600 Ferraris participated at the circuit, where the fans and enthusiasts were able to get a glimpse of all aspects of the Maranello marque's spirit.

Some other amazing cars also took part at Suzuka, gathered from the most significant collections in Japan. In the Supercar Chronicle: 288 GTO, F40, F50 and Enzo were on show to the delight of the connoisseurs of these marvellous cars built as limited editions. Also at Suzuka was the Ferrari California 30 Giappone, with its special livery celebrating the 25th anniversary of the Scuderia's first win in the Japanese Formula 1 Grand Prix, courtesy of Gerhard Berger, at Suzuka on 1st November 1987.

A Tour Classico

VINTAGE FERRARI DRIVE
1947 - 1974 MODELS

Rescheduled Date

Sunday, September 22, 2013

V6 V12

We invite drivers and guests of classic Ferraris to a compassionate and enthusiastic tour of the Angeles Crest/Angeles Forest area. This drive is specially organized by owners who appreciate and respect vintage Ferraris, so that participants can feel comfortable with fellow drivers as we navigate some of the most scenic roadways in the world.

A delicious private brunch at the Le Chêne French Restaurant will await our arrival with opportunities to share our passions of the drive, our cars and friendship. Limited to 15 Ferraris of the pre-1975 era.

Depart La Cañada Flintridge 9:30 am, arrival for brunch around 11:30. Restaurant Le Chene has a beautiful garden and a spacious parking area.

\$45 per person.
